Dear *Colleagues*

**Round Table Discussion @ GridAsia 2007**

We are honoured to have Mr. Mark Linesch (President, Open Grid Forum) as our keynote speaker during the Official Opening of GridAsia 2007 on 6 June 2007 at The Matrix @ Biopolis, Singapore.

With the launch of the OGF Affiliate Program early this year, at least three Asian GFs have successfully become its affiliate. We would like to take the opportunity of Mr. Linesch's presence to organize a round table discussion on how the existing country-specific GFs can strengthen each other, how new ones can be formed, and undertake cross-border joint activities.

On behalf of the SGF Executive Committee, I would like to invite you (or your representative) to join us at the said discussion. The proposed programme appears on the next page. Please register by returning the duly completed reply form.

We look forward to welcome and meet you at Round Table @ GridAsia 2007.

Yours truly,

Prof. Lawrence Wong  
President, SGF
